WINE SELECTION

The cellars at Ashford Castle have always housed great wines from all over the world; this is reflected in our award-winning wine list of over 600 wines.

This wine list has evolved over the years and today it has wines from every corner of the globe. To help you choose a wine by the glass we have selected the following wines for your enjoyment.

Our Full Wine List is available upon request.

BOUCHARD FINLAYSON A BOUTIQUE VINEYARD

One of the most exciting additions to our list in recent years is the inclusion of the wines from our winery in South Africa, Bouchard Finlayson, set up in 1989.

Collaboration has always been a part of this wine estate, which is today owned by the Tollman family of The Red Carnation Hotel Collection and collaboratively run by Victoria Tollman and Peter Finlayson.
